

Dafox Ltd: **YOUR TECHNOLOGY PROVIDER.**

**Dafox gives you the Driver App and dispatch tools
that keep your work flowing.**

Xoom X Ltd:

Your licensed Private Hire Operator provides jobs,
customer support, and handles compliance.

Your Passengers:

The people you drive and build your business around.

What You Need to Know:

- ✓ You are an independent contractor. Dafox provides access to jobs, while XOOM X your Private Hire Operator acts as your agent.
- ✓ XOOM X manages bookings under its licence. When you access a job through the Driver App, your contract is directly with the passenger.
- ✓ Dafox charges a platform fee regardless of the passenger's payment method.
- ✓ For account jobs, XOOM X invoices clients on your behalf. Your earnings are paid out after deducting any agreed subscription or service fees.
- ✓ Dafox does not guarantee income. Your earnings depend solely on the jobs you complete.
- ✓ You are fully responsible for your own tax obligations, including those for anyone working under your account.
